Our range of bespoke timber furniture is an ideal adornment to our catering and bar services.

The prices that accompany the photos below are for the hire of the furniture, delivery, collection and bump in/out are additional and are dependent upon the duration and location of hire. When we submit a quotation for the furniture to accompany our catering services these costs will be clearly identified.

Whilst Coral Coast Catering are predominantly a catering company and would dearly love to cater for you on your special day we realise that this is not always possible. We therefore offer our entire range of bespoke furniture on a dry hire basis. The cost of delivery, collection and set up etc is additional to the costs shown. Alternatively you can collect and return yourselves.
